

Sporting Athletic Club Uniform Policy

Sporting Athletic Club assigns jersey numbers to all players. For the 2024-2025 season:

- **Returning Players:** All current Sporting Athletic Club 2023-2024 players will retain their assigned uniform number going into the 2024-2025 season.
- **New Players:** All players new to Sporting Athletic Club for the 2024-2025 season will be assigned a non-conflicting uniform number going into the 2024-2025 season.

Players with odd birth years will be assigned odd-numbered uniforms and even birth years will be assigned even-numbered uniforms. For example, players born in 2010 will be assigned even-numbered uniforms and players born in 2011 will be assigned wear odd-numbered uniforms.

This policy is made for the development of the players. Assigning non-conflicting jersey numbers and even/odd jersey numbers promotes player movement, Bio Banding ([What is Bio Banding](#)), and duplicate jersey number avoidance.

New uniforms will be purchased by all families at the start of the 2024-2025 season. Sporting Athletic Club **does not** provide uniforms for players as a part of their tuition.

The mandatory uniform package will include:

- Home Kit (Jersey, Short, Socks), Away Kit (Jersey, Shorts, Socks), Training Top
- OR Goalkeeper Home Kit (Jersey, Shorts, Socks) & Goalkeeper Away Kit (Jersey, Shorts, Socks), Training Top
- You will receive a link to order your uniforms via SoccerPost.
- Additional items will be offered for purchase at each player's individual link. Some recommended items to purchase would include the 1/4 Zip Jacket, Track Pants, and Backpack.
